

This Motion for Summary Judgment principally relies upon Mr. Reardon's affidavit in which Mr. Reardon says, under penalty of perjury, on behalf of MCLM that he is President and CEO of MCLM. However, MCLM and Sandra DePriest, under penalty of perjury, are telling the FCC that Mr. Reardon is not President or an officer of MCLM. See below starting at page 3 discussing Mr. Reardon's affidavit.

On page 8 below, MCLM states that Mobex is its predecessor in interest. However, MCLM is telling the FCC that Mobex is not its predecessor in interest, not listing Mobex as an affiliate and providing its gross revenues for relevant years.

**Maritime's Motion for Summary Judgment against CCN**

**Introduction**

This is a garden variety collection case. The plaintiff, Maritime, licensed  
FCC frequencies to the defendant, CCN. The parties memorialized their agreement  
in writing. CCN was required to pay for the use of the frequencies. Maritime sent  
monthly invoices to CCN, which the company paid for a few years. Then, in May  
2007, it stopped. Maritime filed this action, alleging counts for Breach of Contract  
and Account Stated. CCN owes Maritime \$888,444.44, including pre-judgment  
interest through the date of this motion on those counts. CCN has not seriously

contested these claims, only the personal claims against Grace Lindblom, which are not the subject of this motion<sup>1</sup>. Thus, Maritime wishes to avoid the expense of trial to collect these funds, by submitting this motion for partial summary judgment.

### **Standard of Review**

Rule 1.510 governs summary judgment. The rule states that a party may move for a summary judgment on all or any part of a case with or without supporting affidavits at any time after the expiration of 20 days from the commencement of the action or after service of a motion for summary judgment by the adverse party. Fla.R.Civ.P. 1.510(a). The motion must state with particularity the grounds upon which it is based and the substantial matters of law to be argued and shall specifically identify any affidavits or other materials admissible in evidence on which the movant relies. Fla.R.Civ.P. 1.510(c). In a Complex Business Litigation Court proceeding, factual statements in a motion for summary judgment must be supported by specific citations to the supporting documents. BCP § 5.2. The movant must serve the motion at least 20 days before the time fixed for the hearing with any summary judgment evidence at least five days prior to a hearing (two business days if by hand delivery). *Id.* “The judgment sought

shall be rendered forthwith if the pleadings, depositions, answers to interrogatories, affidavits, and other materials as would be admissible in evidence, admissions on file show that there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law.” *Id.*

The movant has the initial burden of proof. Once satisfied, the burden shifts to the non-moving party, who must then establish the existence of a triable issue.

*See, e.g., Hicks v. Hoagland*, 953 So.2d 695, 697 (Fla. 5th DCA 2007) (“The party moving for summary judgment has the initial burden of demonstrating the nonexistence of material issues of fact; after the movant has tendered competent evidence supporting its motion, the burden shifts to the other party to come forward with opposing evidence to show a question of material fact exists.”). And once the non-moving party has that burden, it is not enough merely to assert, in conclusory fashion, that a genuine issue of material fact exists; rather, the non-moving party must come forward with competent evidence to support such a conclusion. *Landers v. Milton*, 370 So.2d 368, 370 (Fla.1979)

### **Supporting Affidavits and Testimony**

This motion relies on the attached supporting affidavits of John Reardon, President and CEO of Maritime (Exhibit A) and Philip K. Calandrino, Attorney for Maritime (Exhibit B). There is no other testimony in this case.

MCLM is clearly stating here that Mr. Reardon is President and CEO of MCLM, yet MCLM and Sandra DePriest are telling the FCC that Mr. Reardon is not President or an officer. Also, Mr. Reardon, an ex-FCC practice attorney has not come forward and told the FCC he is MCLM's President and an officer as required by Sections 1.17 and 1.65. This is evidence that MCLM and Sandra DePriest have perjured themselves before the FCC.

## Indisputable and Uncontested Facts

Reardon affidavit is used by MCLM to confirm MCLM's status as a corporation. → Maritime is a duly organized and existing limited liability company under the laws of the State of Delaware. (Affidavit of John Reardon ("Reardon Affidavit") at ¶4). CCN is a Florida corporation with offices in Orange County (Amended Complaint at ¶ 3; admitted in Answer to Amended Complaint at ¶ 2).

On or about December 3, 2003, CCN entered into a ten-year Management Agreement with Mobex Communications, Inc. for the use of certain radio frequencies. (Amended Complaint at ¶ 6; admitted in Answer to Amended Complaint at ¶ 6; Reardon Affidavit at ¶ 5). A copy of the "Agreement" attached

as Exhibit A to the Amended Complaint and the Affidavit is a true, correct, and complete copy of the agreement. (Amended Complaint at ¶6; Reardon Affidavit at ¶ 6).

Reardon affidavit supports facts that agreement with CCN was assigned to MCLM. MCLM admits to have purchased "all or substantially all of the assets of Mobex" and is running Mobex's operations, including with CCN, yet continues to tell the FCC that Mobex is not a predecessor in interest. → Under the Agreement, CCN promised to pay Mobex a monthly fee. (Amended Complaint at ¶ 7; admitted in Answer to Amended Complaint at ¶ 5; Reardon Affidavit at ¶ 7). Thereafter, Mobex assigned its rights and delegated its obligations under the Agreement to Maritime, which is the successor in interest to Mobex, by virtue of purchasing all or substantially all of the assets of Mobex.

(Amended Complaint at ¶ 8; Reardon Affidavit at ¶ 8).

On or about October 18, 2006, CCN and Maritime extended the term of the Agreement by one year and adjusted the fee schedule, such that the amounts due

Extension of agreement in 2006 was signed by Reardon for MCLM.

were reduced. (Amended Complaint at ¶ 9; admitted in Answer to Amended Complaint at ¶ 7; Reardon Affidavit at ¶ 9). For the period beginning on August 1, 2006 and ending on August 31, 2007 the reduced fees were \$9,505.50 per month.

(Amended Complaint at Exhibit B; admitted in Answer to Amended Complaint at ¶ 7; Reardon Affidavit at ¶ 10). For the period beginning on September 1, 2007 and ending on August 31, 2008 the reduced fees were \$38,139.00 per month.

(Amended Complaint at Exhibit B; admitted in Answer to Amended Complaint at ¶ 7; Reardon Affidavit at ¶ 11). For the period beginning on September 1, 2008 and ending on August 31, 2009 were \$39,658 per month. (Amended Complaint at

Exhibit B; admitted in Answer to Amended Complaint at ¶ 7; Reardon Affidavit at ¶ 12). A copy of the “Amendment” attached to the Amended Complaint and the Affidavit as Exhibit B is a true, correct, and complete copy of the amendment.

(Affidavit at ¶ 13).

→ The Agreement and Amendment (the “Amended Agreement”) reflect the true, correct, and complete Agreement between Maritime and CCN pertaining to the radio frequencies. (Amended Complaint at ¶ 12; Reardon Affidavit at ¶ 14).

Maritime and Mobex continuously and timely satisfied their obligation to provide the radio frequencies referenced under the Amended Agreement. (Amended

Complaint at ¶¶ 13-20 and Exhibits C-F; Answer to Amended Complaint at ¶ 15<sup>2</sup>; Reardon Affidavit at ¶ 15 and Exhibits C-F). In fact, Maritime and Mobex have satisfied all conditions and performed all obligations required of them under the Amended Agreement. (Id.).

Maritime has sent and CCN has received invoices for the amounts due under the Amended Agreement beginning with the May 2007 invoice and continuing through March 31, 2009. (Amended Complaint at ¶ 15 and Exhibit C; Reardon Affidavit at ¶¶ 18-19 and Exhibit C). The total of these invoices reflect the amount now owed to Maritime, not including prejudgment interest. (Amended Complaint at ¶21 and Exhibits C and G; Reardon Affidavit at ¶ 20 and Exhibit G). As a condition precedent to filing this action, on or about November 28, 2007, Maritime, through its attorney, provided written notice via certified mail to CCN of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute.(Amended Complaint at ¶ 17; Reardon Affidavit at ¶ 21; Calandrino Affidavit at ¶ 2). A true and correct copy of the November 28, 2007 notice letter is attached as to the Amended Complaint as Exhibit D. (Id.). As a

<sup>2</sup> CCN denied this allegation without specificity in contravention to Rule 1.120(c), Fla.R.Civ.P. This is tantamount to an admission of the allegation. *See United Bonding Ins. Co. v. Dura-Stress, Inc.*, 243 So.2d 244 (Fla. 2d DCA 1971) (Complaint by supplier alleging that all conditions precedent to contract for furnishing materials to subcontractor as well as conditions precedent to bringing of breach of contract action had been performed or had occurred was sufficient to meet issue of performance, and, where denial of performance or occurrence was not made specifically and with particularity as required by rule, summary judgment in favor of supplier was warranted).

condition precedent to filing this action, on or about August 18, 2008, Maritime, through its attorney, provided written notices via certified mail to CCN of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute. (Amended Complaint at ¶ 18 and Exhibit E; Reardon Affidavit at ¶ 23; Calandrino Affidavit at ¶ 3 and Exhibit B). A true and correct copy of the August 18, 2008 notice letter is as Exhibit E. (Id.). As a condition precedent to filing the Amended Complaint in this action, on or about March 19, 2009, Maritime, through its attorney, provided written notices via certified mail to CCN's attorney of record, Ronald S. Webster of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute. (Amended Complaint at ¶ 18 and Exhibit F; Reardon Affidavit at ¶ 25 and Exhibit F; Calandrino Affidavit at ¶ 4 Exhibit C). A true and correct copy of the March 19, 2009 notice letter is attached as Exhibit F. (Id.). An employee or other representative of CCN's attorney signed for the letters (Calandrino Affidavit at ¶¶ and Exhibits A). The parties conducted a mediation on the issues raised in this action as required by the mediation clause in the Amended Agreement but reached an impasse. (Reardon Affidavit at ¶ 27).

Nonetheless, CCN has failed or refused to make payments under the Amended Agreement beginning with the May 2007 invoice to the date of the Affidavit. (Amended Complaint at ¶ 19; Reardon Affidavit at ¶¶ 17 and 28). The

statement attached to Reardon's Affidavit as Exhibit G is a true and correct statement of the amount due Maritime by CCN for the period from May 1, 2007 through March 31, 2009 with prejudgment interest at the rate proscribed by Sections 681.03 and 55.03, Fla. Stat., calculated through September 18, 2009. (Reardon Affidavit at ¶ 29 and Exhibit G). The debt continues to accrue interest at a rate of \$169.49 per day. (Reardon Affidavit at ¶ 30 and Exhibit G). Accordingly, the total amount due Maritime through September 18, 2009, with pre-judgment interest, is \$773,296.00 principal plus \$115,148.44 in prejudgment interest and \$169.49 in prejudgment interest for each day beginning on September 19, 2009. (Reardon Affidavit at ¶ 31 and Exhibit G).

## Argument

### 1. The Indisputable and Uncontested Facts Prove that CCN Breached its Contract with Maritime.

Maritime's breach of contract claim is very straightforward. The elements of a claim for breach of contract are: A valid contract; a material breach; and damages. *Abbott Laboratories, Inc. v. General Electric Capital*, 765 So.2d 737, 740 (Fla. 5th DCA 2000). It is not disputed in this case that the parties entered into an agreement under which Maritime (or its predecessor in interest, Mobex) provided a license to CCN to use certain radio frequencies in exchange for cash consideration. Maritime has testified, through Reardon's affidavit that CCN has not

MCLM tells the Court that Mobex is its predecessor in interest. This is contrary to what it is telling the FCC.

submitted payments for those frequencies for the time period of May 1, 2007 through March 19, 2009<sup>3</sup>. CCN has not raised any affirmative defenses to the complaint. Although the licensee has denied that it did not make payment, it has made no showing to the contrary, through affidavit or otherwise. The only sworn testimony is found in Mr. Reardon's affidavit in support of this motion. He states facts showing the formation and terms of written contracts, testifies that the copies attached to the pleadings and his affidavit are true and correct, and sets forth the damages incurred by Maritime--\$888,444.44. His testimony has not been rebutted. Accordingly, Maritime has met its burden of showing that there was a valid contract, breach, and damages. There is no genuine issue of material fact to prevent a judgment for that amount plus per diem prejudgment interest of \$169.49 from the date of this motion.

## **2. The Indisputable and Uncontested Facts Prove that CCN has not Paid on Maritime's Stated Account.**

For an account stated to exist as a matter of law, there must be an agreement between the parties that a certain balance is correct and due and an express or implicit promise to pay this balance. *Merrill-Stevens Dry Dock Co. v. Corniche Express*, 400 So.2d 1286 (Fla. 3d DCA 1981). Parties who have had a series of

---

<sup>3</sup> There also have been no payments since March 19, 2009, the date of the Amended Complaint. But, there is no acceleration clause in the contract. The contract remains in effect despite the breach. Maritime is entitled to bring a separate claim for those damages, which are not part of this action.

dealings with each other may reach a final accounting and agree on a balance due through an account stated. *Id.* After existence of account stated is proved, the account stated may be attacked only by proof of fraud, duress, mistake or other grounds cognizable in equity for the avoidance of an instrument. *Id.* Form 1.933, Fla.R.Civ.P. contains the necessary allegations to the claim: that the parties had business transactions between them and on a stated date agreed to the resulting balance. Through the Amended Complaint and Reardon's Affidavit, Maritime has established that the parties had business transactions for the licensing of FCC frequencies. This is an admitted fact. Although CCN denies that the contract attached is a complete copy of the contract, this does not establish a disputed material fact to an Account Stated claim. All that is necessary to show is that there were business transactions. CCN does deny in its answer that Maritime sent invoices and that it agreed on the resulting balance. But, these facts are established in Reardon's Affidavit. There is no record evidence to the contrary. And, CCN did not raise any affirmative defense to the claim. Thus, there can be no genuine issue of material fact. CCN is liable for the resulting balance of the monthly invoices, \$773,296.00, with pre-judgment interest included that figure has grown to \$888,444.44 and is accruing additional interest at \$169.49 per diem from the date of this motion.

## Conclusion

Evidence supporting this Motion

Maritime is due almost \$900,000 for its claims against CCN. There has been no serious challenge to this action; CCN raised no affirmative defenses. The only record evidence is the affidavits supporting this motion. The parties have not engaged in extensive discovery and have not taken any depositions. Nothing could speak louder as to the simplicity of the legal issues in this case. This is a situation where CCN has just refused to pay an invoice. Maritime wishes to obtain a judgment without incurring any additional expense. It is entitled to that judgment because there are no genuine material facts in dispute. Therefore, Maritime respectfully requests that the Court enter an order granting the motion.

## Certificate of Good Faith Conference<sup>4</sup>

I certify that on August 28, 2009, I conferred by telephone with Ronald C. Webster, Esq., attorney for the defendants, and we were unable to reach an agreement on resolving the issues raised in this motion.

<sup>4</sup> The local rules do not require a good faith conference on a motion for summary judgment. "No conference, and therefore no Certificate, is required in motions for injunctive relief without notice, for judgment on the pleadings, summary judgment, or to permit maintenance of a class action." MCLM filed this case as "successor-in-interest" to Mobex Communications, Inc. MCLM is running the Mobex operations. Mobex is clearly a predecessor-in-interest of MCLM and had to be disclosed in Auction No. 61, but was not. Mobex had millions in revenues and multiple subsidiaries.

**AFFIDAVIT IN SUPPORT OF MOTION FOR SUMMARY JUDGMENT**

I, John Reardon, the undersigned affiant, hereby swear and affirm as follows:

1. I am the President and Chief Executive Officer of Maritime Communications/Land Mobile, LLC ("Maritime").
2. I am above the age of 18 and competent to testify.
3. The statements made herein are based on my personal knowledge and information.

John Reardon, in a court of law, in a sworn affidavit in support of MCLM's Motion is saying that he is President and Chief Executive Officer of MCLM. Thus, Sandra DePriest's and MCLM's statements to the FCC that John Reardon has never been an officer or President of MCLM are false. This means John Reardon has been withholding information, and that he is a controlling interest in MCLM and that he and his affiliates should have been disclosed on the MCLM Form 601.

4. Maritime is a duly organized and existing limited liability company under the laws of the State of Delaware.
5. On or about December 3, 2003, CCN entered into a ten-year Management Agreement with Mobex Communications, Inc. for the use of certain radio frequencies.
6. A copy of the "Agreement" attached as Exhibit A is a true, correct, and complete copy of the agreement.
7. Under the Agreement, CCN promised to pay Mobex a monthly fee.
8. Mobex assigned its rights and delegated its obligations under the Agreement to Maritime, which is the successor in interest to Mobex, by virtue of purchasing all or substantially all of the assets of Mobex.
9. On or about October 18, 2006, CCN and Maritime extended the term of the Agreement by one year and adjusted the fee schedule, such that the amounts due were reduced.
10. For the period beginning on August 1, 2006 and ending on August 31, 2007 the reduced fees were \$9,505.50 per month.
11. For the period beginning on September 1, 2007 and ending on August 31, 2008 the reduced fees were \$38,139.00 per month.
12. For the period beginning on September 1, 2008 and ending on August 31, 2009 the fees due were \$39,658 per month.

Mobex had regular monthly income from its contract with CCN. Since Mobex is an affiliate of MCLM that revenues had to be reported on the MCLM Form 175 and Form 601, but was not.

MCLM took over Mobex's operations and is its "successor in interest".

John Reardon, as President and CEO of MCLM signed this extension in 2006. See contract extension in documents provided by Petitioners.

13. A copy of the "Amendment" attached as Exhibit B is a true, correct, and complete copy of the amendment.
14. The Agreement and Amendment (the "Amended Agreement") reflect the true, correct, and complete Agreement between Maritime and CCN pertaining to the radio frequencies.
15. Maritime and Mobex continuously and timely satisfied their obligation to provide the radio frequencies referenced under the Amended Agreement.
16. In fact, Maritime and Mobex have satisfied all conditions and performed all obligations required of them under the Amended Agreement.
17. CCN has failed or refused to make payments under the Amended Agreement beginning with the May 2007 invoice to the date of the Affidavit.
18. Maritime has sent and CCN has received invoices for the amounts due under the Amended Agreement beginning with the May 2007 invoice and continuing through the date of this Affidavit.
19. The invoices attached as Composite Exhibit C are true, correct, and complete copies of invoices sent to CCN for the period beginning on May 1, 2007 and ending on March 31, 2009.
20. The total of these invoices reflect the amount now owed to Maritime, not including prejudgment interest.

22. A true and correct copy of the November 28, 2007 notice letter is attached as Exhibit D.
23. As a condition precedent to filing this action, on or about August 18, 2008, Maritime, through its attorney, provided written notices via certified mail to CCN of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute.

26. A true and correct copy of the March 19, 2009 notice letter is attached as Exhibit F.
27. The parties conducted a mediation on the issues raised in this action but reached an impasse.

28. CCN has failed or refused to pay the invoices and continues to fail or refuse to pay them.
29. The statement attached as Exhibit G is a true and correct statement of the amount due Maritime by CCN for the period from May 1, 2007 through March 31, 2009 with prejudgment interest at the rate proscribed by Sections 681.03 and 55.03, Fla. Stat., calculated through September 18, 2009.
30. The debt continues to accrue interest at a rate of \$169.49 per day.
31. Accordingly, the total amount due Maritime through September 18, 2009, with pre-judgment interest, is \$773,296.00 principal plus \$115,148.44 in prejudgment interest and \$169.49 in prejudgment interest for each day beginning on September 19, 2009.

**FURTHER AFFIANT SAYETH NAUGHT.**

**Under penalty of perjury, I swear and affirm that the foregoing statements are true and correct.**

This affidavit is sworn to by John Reardon under penalty of perjury and submitted by MCLM in support of its case against CCN. However, MCLM and Sandra DePreist, under penalty of perjury, are contradicting this affidavit and their Motion for Summary Judgment in their responses to the FCC including by asserting that John Reardon has never been an officer or President of MCLM and that Mobex is not a predecessor-in-interest to MCLM. It would appear that MCLM and Sandra DePriest have committed perjury before the FCC.

**A**

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT  
IN AND FOR ORANGE COUNTY, FLORIDA

MARITIME COMMUNICATIONS/  
LAND MOBILE, LLC, a Delaware  
limited liability company, as successor  
in interest to Mobex Communications,  
Inc.

Case No.: 48-2008-CA-020669-O  
Division: 43

Complex Business  
Litigation Court

Plaintiff,

vs.

CENTRAL COMMUNICATIONS  
NETWORK, INC. d/b/a CCN, a  
Florida corporation, and GRACE C.  
LINDBLOM, an individual,

Defendants.

**AMENDED COMPLAINT**

Plaintiff, Maritime Communications/and Mobile, LLC ("Maritime"), for itself,  
and as successor in interest to Mobex Communications, Inc., sues defendants,  
Central Communications Network, Inc. ("CCN") and Grace C. Lindblom  
(collectively "defendants"), and states:

**Jurisdiction, Parties, and Venue**

1. This court has subject matter jurisdiction under section 26.012, Fla. Stat.
2. Maritime is a foreign limited liability company authorized to conduct  
business in the State of Florida.

MCLM is the plaintiff in this case. Mr. Reardon's affidavit attached to this amended complaint is MCLM's primary support for its case. Also, MCLM states it is Mobex Communications' "successor in interest", which is the flip side of a "predecessor in interest" yet MCLM is telling the FCC that Mobex is not one. This case is about MCLM running the former business of Mobex with CCN.

3. CCN is a Florida corporation that has or keeps an office for the transaction of its customary business in Orange County, Florida.

4. Lindblom is a resident of Florida and an officer, director, and shareholder of CCN.

### **The Transaction**

5. The Federal Communications Commission (FCC) licensed certain radio frequencies to Mobex.

6. On or about December 3, 2003, CCN entered into a ten-year Management Agreement with Mobex Communications, Inc. for the use of the frequencies. A copy of the "Agreement" is attached as **Exhibit A**.

7. Under the Agreement, CCN promised to pay Mobex a monthly fee.

8. Mobex assigned its rights and delegated its obligations under the Agreement to Maritime, which is the successor in interest to Mobex.

9. On or about October 18, 2006, CCN and Maritime extended the term of the Agreement by one year and adjusted the fee schedule, such that the amounts due were reduced from August 2006 - 2007 to \$9,505.50 per month and to \$38,139.00 per month from September 2007 - 2008. A copy of the "Amendment" is attached as **Exhibit B**.

### **Count I – Breach of Contract**

Maritime sues CCN and alleges:

See above comments with regard to this paragraph 8.

This extension of the agreement was signed by John Reardon as President and CEO of MCLM.

10.This is an action for damages that exceed \$15,000.00, exclusive of interest, fees, and costs.

11.Maritime incorporates the allegations contained in Paragraphs 1 through 9 into this count.

12.Maritime and CCN are parties to the Agreement, as amended by the Amendment (the “Amended Agreement”).

→13.Maritime and Mobex have satisfied all conditions and performed all obligations required of them under the Amended Agreement.

14.CCN has failed or refused to make payments under the Amended Agreement since the payment made for April 2007.

15.Maritime has sent and CCN has received invoices for the amounts due under the Amended Agreement since April 1, 2007. The invoices are attached as **Composite Exhibit C.**

16.CCN’s failure and refusal to make payments constitutes a breach of the Amended Agreement.

17.As a condition precedent to filing this action, on or about November 28, 2007, Maritime provided written notice via certified mail to CCN of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute. A copy of the letter is attached as **Exhibit D.**

MCLM is filing the case on behalf of itself and Mobex. Mobex is a predecessor or in interest.

18.As a condition precedent to filing this action, on or about August 18, 2008 and March 18, 2009, Maritime provided written notices via certified mail to CCN of its breach of the Amended Agreement with 30 days notice to cure and a request to mediate the dispute. Copies of the letters are respectively attached as **Exhibit E** and **Exhibit F**.

19.CCN has failed or refused to pay the invoices for those services and continues to fail or refuse to pay them.

20.All conditions precedent to the filing of this action have been performed or occurred.

→ 21.The amount due Maritime through March 19, 2009 is \$773,296.00. A copy of the summary account statement with invoices is attached **Composite Exhibit G**.

Wherefore, Maritime respectfully requests that this Court enter a judgment against CCN for damages, interest, costs, and such other relief as this Court deems just and equitable.

### **Count II – Account Stated (Form 1.933)**

Maritime sues CCN and alleges:

22.This is an action for damages that exceed \$15,000.00, exclusive of interest, fees, and costs.

23.Maritime incorporates the allegations contained in Paragraphs 1 through 9 into this count.

24. Before the institution of this action Maritime and CCN had business transactions between them and on the first day of each month from April 1, 2007 through August 1, 2008 they agreed to the resulting balance.

25. Maritime rendered statements to CCN, a copy being attached as **Composite Exhibit C**, and CCN did not object to the statements.

26. As of March 19, 2009, CCN owes Maritime the principal sum of \$773,296.00 with prejudgment interest at the statutory rate.

27. Wherefore, Maritime respectfully requests that this Court enter a judgment against CCN for damages, interest, costs, and such other relief as this Court deems just and equitable.

### **Count III - Piercing the Corporate Veil**

Maritime sues Lindblom and alleges:

28. This is an action for damages that exceed \$15,000.00, exclusive of interest, fees, and costs.

29. Maritime incorporates the allegations contained in Paragraphs 1 through 9 into this count.

30. CCN is not only influenced by Lindblom, but there is such unity of ownership and interest that their separateness has ceased. Lindblom has not only mere majority or complete stock control of CCN, but complete domination, not only of finances, but of policy and business practice with respect to CCN's

transactions with Maritime that the corporate entity as to these transactions had, at the time, no separate mind, will or existence of its own.

31.Lindblom has wrongly transferred the assets and business of CCN in an attempt to avoid the payment obligations of the Agreement, as modified by the Amendment, and to keep the corporation starved of assets such that it would be at all time judgment proof.

32.Such control was used by Lindblom to commit a fraud or wrong, to perpetuate the violation of a statutory or other positive legal duty or a dishonest or unjust act in contravention of Maritime's legal rights.

33.The facts are such that adherence to the normal attributes of separate corporate existence would sanction a fraud or promote injustice.

34.Further, at the time of the transfers, CCN was insolvent or nearly insolvent and, thus, as a director, Lindblom owed a fiduciary obligation to CCN's creditors, including Maritime.

35.Lindblom's control and breach of duty proximately caused the injury or unjust loss complained of by Maritime in this action.

36.Accordingly, Maritime seeks satisfaction of the amounts due under the Amended Agreement against Lindblom.

Wherefore, Maritime respectfully requests that this Court enter a judgment against Lindblom in the principal amount of \$773,296.00, interest, and costs, and such other and further relief as this Court deems just and equitable.

**Count IV – Claim under Florida’s Enactment of the  
Uniform Fraudulent Transfer Act**

Maritime sues Lindblom and alleges:

37.This is an action for damages that exceed \$15,000.00, exclusive of interest, fees, and costs.

38.Maritime incorporates the allegations contained in Paragraphs 1 through 9 into this count.

39.CCN is indebted to Maritime of \$773,296.00 plus pre-judgment interest for nonpayment of monies due for the use of FCC frequency licenses as further described in Counts I and II, which are hereby incorporated into this count such that Maritime is a creditor of CCN as that term is defined under section 727.102(4), Fla. Stat.

40.After the accrual of Maritime’s claims, Lindblom transferred real or personal property from CCN to herself:

- a. with the actual intent to hinder, delay, or defraud any creditor of CCN, including Maritime; or
- b. without receiving reasonably equivalent value in exchange for the transfer or obligation, and: (i) CCN was engaged or was about to

engage in a business or a transaction for which its remaining assets were unreasonably small; (ii) CCN intended to incur, or believe or reasonably should have believed that it would incur debts beyond its ability to pay as they matured; or (iii) CCN was insolvent at the time the transfer was made or the obligation was incurred or became insolvent as a result and Maritime's status as a creditor existed at the time of the transfer or obligation.

41. Alternatively, Lindblom is an insider of CCN as that term is defined under section 726.102(7), Fla. Stat., and:

- a. CCN made a transfer to Linblom for an antecedent debt;
- b. Maritime was a creditor of CCN at the time of the transfer;
- c. CCN was insolvent at the time of the transfer; and
- d. Lindblom had reasonable cause to believe that CCN was insolvent.

Wherefore, Maritime respectfully requests that the court enter such orders or judgment necessary for avoidance of the transfer or obligation to the extent necessary to satisfy Maritime's claims; an attachment or other provisional remedy against the asset transferred or other property of Lindblom in accordance with applicable law; subject to applicable principles of equity and in accordance with applicable rules of civil procedure: (i) an injunction against further disposition by CCN or Lindblom, or both, of the asset transferred and other property; (ii)

appointment of a receiver to take charge of the asset transferred or of other property of Lindblom; or (iii) any other relief the circumstances may require.

## MANAGEMENT AGREEMENT

This Management Agreement ("Agreement") is effective as of December 3, 2003, by and between CCN ("CCN" or "Manager"), and Mobex Network Services Company, LLC ("Licensee").

WHEREAS Licensee has been awarded Licenses for the construction, ownership and operation of AMTS systems in Florida;

WHEREAS the Licenses authorize Licensee to construct, own and operate conventional and trunked radio communications systems for commercial purposes, including Motorola Passport technology;

AND WHEREAS CCN and Licensee desire to provide for the construction, management and operation of trunked radio communications systems utilizing the Licenses within their respective Service Areas;

THEREFORE, both CCN and Licensee desire CCN to provide management services for the construction, management and operation of the conventional and trunked radio communications systems owned by Licensee within their respective Service Areas (the "Licensee Systems").

NOW THEREFORE, in consideration of the promises and of the mutual covenants and agreements contained herein, the parties hereto do hereby agree as follows:

1. Effective Date and Term.

This Agreement shall take effect on and as of the date hereof and shall continue for the Management Period. "Management Period" means the period beginning January 1, 2004 and ending on January 1, 2014; provided, however, that the Management Period shall be extended for five years and then from year to year thereafter unless either: Manager notifies Licensee, or Licensee notifies Manager, not later than sixty (60) calendar days prior to the end of the then current Management Period, of its intention to terminate the Management Period, in which event the Management Period shall terminate as of the last day of the then current Management Period.

2. Appointment of Manager.

2.1. Licensee hereby appoints Manager as its sole and exclusive contractor to manage the operation of the Licensee Systems during the Management Period. For purposes of this Agreement, "Manager" shall mean acting to manage the Licenses within the Service Area. Thus, CCN will be Manager of Licensee channels listed in Exhibit A within its Service Area.

Nothing contained herein, however, shall be deemed a delegation by Licensee to Manager of the ultimate responsibility and authority of Licensee for the management of the Licenses, which responsibility and authority shall at all times be and remain vested in Licensee. Manager

hereby accepts such appointment and agrees to perform its obligations and responsibilities hereunder.

Manager shall provide to Licensee complete and unfettered access to all facilities and equipment relating to the Licensee Systems during the Management Period.

2.2. Manager shall devote such time and resources as are necessary to ensure proper and efficient performance of its obligations hereunder and shall make available therefor the full range of its expertise and experience.

2.3. Licensee shall at all times remain in day to day control of the Licenses and shall be responsible for taking all reasonable and appropriate steps necessary to preserve the Licenses issued to it, including, but not limited to, responding fully to any and all adversarial pleadings of whatever nature filed with the FCC or any State or local authority. Upon request by Licensee, Manager shall cooperate with and assist Licensee in taking such steps.

### 3. Services.

3.1. Manager shall be responsible for the management and operation of the Licensee Systems. To this end, Manager shall supervise all (i) such administrative, accounting, billing, credit, collection, insurance, purchasing, clerical and other general services as may be necessary to the administration of the Licensee Systems (ii) such operational, engineering, maintenance, repair and other technical services as may be necessary to the operation of the Licensee Systems; and (iii) such sales, advertising and other promotional services as may be necessary to

market the services provided by the Licensee Systems. Consistent with the foregoing and with sound commercial practice, Manager shall use its best efforts to render or obtain such services and perform or cause to be performed such duties, all at the sole cost and expense of Manager except as otherwise specifically provided herein, as shall be necessary or appropriate for the management and operation of each System, including, without limitation, the following:

3.1.1 Developing and proposing a marketing and promotional program for the consideration of Licensee and implementing those programs approved by Licensee including the negotiation of appropriate or beneficial agreements; and

3.1.2. Using its best efforts to load users onto each such Licensee System.

3.2. Manager shall, as Contractor for Licensee, be responsible for billing, collecting and receiving all sums payable on account of services provided over the Licensee Systems. Licensee shall immediately endorse and remit to Manager any payments on customer accounts which otherwise should have been directed to Manager. Licensee, with the prior approval of Manager, shall deliver a notice to all customers of the Licensee Systems within the Service Area instructing them to make payments to Manager. Manager shall use its best efforts to collect all unpaid accounts receivable generated by the Licensee Systems.

3.3 Manager shall offer, sell and install radio equipment and Manager shall be entitled to retain all of the revenue derived from such radio equipment sales and installations.

3.4 See Exhibit C for schedule of services offered to CCN

4. Compensation.

4.1 Manager shall pay to Licensee the amounts listed on Exhibit B, on a monthly basis. Such amounts shall be included in the total costs to manager of operating the Licensee Systems.

4.2 To the extent that the access and airtime revenues generated on the License Systems are greater than the actual total costs relating to enhancement, maintenance, operation, or use of the radio communication systems subject to this Agreement, such excess revenues shall not be paid to Licensee but shall be retained by Manager.

4.3 To the extent that operating costs of Licensee Systems incurred by Manager on Licensee's behalf exceed revenues for any given period of time, such excess costs shall be paid by Manager and shall be treated as "System Debt" for purposes of this Agreement. System Debt shall be reduced by Manager on Licensee's behalf out of any future proceeds which exceed operating costs.

5. Limitations.

In addition to those matters elsewhere listed in this Agreement for which Licensee's prior approval is required, Manager shall have no authority, without prior written approval by Licensee, to bind contractually or otherwise commit Licensee to any course of actions or to settle legal action or

litigation in the name of Licensee brought by or against Licensee.

6. FCC Compliance.

Manager expressly recognizes that Licensee is licensed by the FCC and operates under applicable federal and state statutes, rules and regulations. Therefore, Manager expressly warrants that Manager shall not represent itself as the federal Licensee of AMTS service offered over any Licensee Systems. If the FCC determines that any provision of this Agreement or the performance thereof violates any FCC rule, policy or regulation, Manager and Licensee shall immediately make all required good faith efforts to comply with all such applicable rules, policies or regulations. It is expressly agreed and understood that nothing in this Agreement will constitute a transfer of "control" (as defined by the rules and regulations of the FCC) from Licensee to Manager or any other Person of any Licensee Systems or the related Licenses.

7. Termination.

7.1 Either party may terminate this Agreement by ninety days' advance written notice to the other in the event of:

7.1.1. a substantial breach of this Agreement by the other or of the representations, warranties or covenants of the other which has not been cured within thirty (30) calendar days of receipt by the other of written notice of such breach from the party effecting such termination; or

7.1.2 Upon sixty (60) days' notice prior to the end of the then current Management Period; or

7.1.3 Manager becomes insolvent or files for Bankruptcy.

8. Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of Manager and Licensee and their respective Affiliates, heirs, representatives, successors and permissible assigns. This agreement may be assigned by Licensee.

9. Mediation.

In the event of a dispute between Licensee and Manager arising out of or relating to this Agreement, the parties shall submit such dispute to a mediator agreed to by both parties as soon as practicable after the dispute arises and before commencement of litigation or arbitration. The parties shall exercise their best efforts in good faith to resolve all disputes in mediation.

10. Future Spectrum Requirements

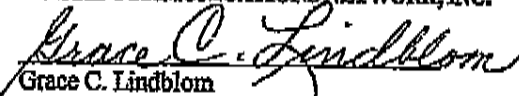

Mobex will make its best efforts to provide to CCN, either directly or indirectly, additional frequencies necessary to expand number of channel pairs within the contour (Exhibit A) or the footprint area as required by CCN. In the unlikely event that the Riverview or Holopaw site(s) violate the contour of an incumbent, Mobex will make its best efforts to assist CCN in the redesign of the contour in order to protect the rights of the incumbent.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and  
year first above written.

## **Other Services**

**Marketing** – Mobex will, at its own cost, provide four direct mail campaigns covering Orlando and Tampa

- Each campaign will consist of; (i) mailer with CCN's logo and information, (ii) SIC code list based on criteria provided by CCN, and (iii) follow up calling service to generate qualified leads. All prospect information generated from mailing campaigns will be sent directly to CCN, not to exceed \$20,000.

**Sales Training** – Mobex has developed a methodology for evaluating and selling PassPort services to prospective subscribers that could be shared with CCN's sales team at no charge

- This is a 1 day class

**Customer service** – Mobex operates a 24/7 PassPort customer service department that services our existing PassPort markets. Mobex will provide an "after hours" (5pm – 9am, seven days a week) user support 800 number at no additional cost to CCN during the contract period

In the event customer service is able to remedy the caller's issue, CCN would receive a full report on the call including recommendations for further follow up by CCN if necessary

If customer service could not address the issue, such as power outage at a site, customer service would contact a designated representative at CCN immediately

**Engineering support** – Mobex has an engineering team experienced in deploying PassPort systems. As a Mobex customer, CCN will have access to our engineering team during the construction and deployment phase on the aforementioned frequencies listed in Exhibit A.

MCLM states it is the successor in interest to Mobex Network Service LLC. The other side of that coin is that Mobex is MCLM's predecessor in interest, yet MCLM denies Mobex is such and failed to disclose Mobex as an affiliate and its gross revenues.

Re: Maritime Communications/Land Mobile, LLC, as assignee of Mobex  
 Communications, Inc. vs. Central Communications Network, Inc. d/b/a CCN

Dear Ms. Lindblom:

I represent Maritime Communications/Land Mobile, LLC. As you know, on December 3, 2003, CCN entered into a ten-year Management Agreement with Mobex Communications, Inc. Under that agreement, CCN was obligated to pay Mobex a monthly fee for the use of certain radio frequencies identified in an exhibit to the agreement and licensed to Mobex by the FCC. Later, Mobex assigned its rights under your contract to Maritime. On October 18, 2006, CCN and Maritime extended the term of the agreement by one year and adjusted the fee schedule, such that the amounts due were reduced from August 2006 - 2007 to \$9,505.50 per month and to \$38,139.00 per month from September 2007 - 2008.

Presently, CCN is in arrears on the sums due Maritime under the Management Agreement, as amended. According to the invoices sent by Maritime to CCN, the amount currently due is as follows:

Invoice Date	Invoice No.	Amount Due	Due Date	Interest <sup>1</sup>
5/1/07	1003	\$ 9,505.50	5/16/07	\$ 555.75
6/1/07	1045	9,505.50	6/16/07	466.94
7/1/07	1082	9,505.50	7/16/07	381.00
8/1/07	1120	9,505.50	8/16/07	292.20
9/1/07	1145	38,139.00	9/16/07	816.07
10/1/07	1166	38,139.00	10/16/07	471.25
11/1/07	1187	38,139.00	11/16/07	126.43
		<b>\$ 152,439.00</b>		<b>\$3,109.64</b>

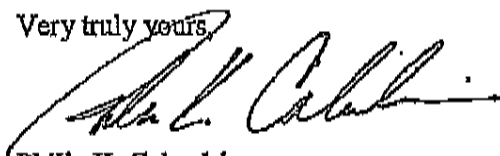

I have enclosed copies of the above-referenced invoices for your reference. The total amount due as of the date of this letter is \$155,548.64, including interest charges, which are accruing at \$45.81 per day.

Accordingly, this letter shall serve as formal notice, pursuant to paragraph 7.1.1 of the Agreement that CCN is in material and substantial breach of its contractual payment obligations to Maritime. My client, in accordance with the requirements of the contract, hereby provides CCN 30 days from the date of this letter—until December 31, 2007—to cure performance by paying the amount due. In order to draft your check for the correct amount due, calculate interest as of the anticipated date of delivery. Upon your request, my staff will gladly provide you with the correct figure for a given date. Please make your check payable to Hendry, Stoner, Calandrino & Brown, P.A. Trust Account.

Further, this letter shall serve as formal request pursuant to paragraph 9 of the Agreement for mediation of the dispute, as a condition precedent to litigation. Should you fail to comply with the payment demand or contact my office to schedule mediation by the deadline, my client may elect to file an arbitration claim or civil action against your company.

Please contact me if you wish to discuss this matter in more detail. Otherwise, I will look forward to receiving your check before the cure period expires.

Very truly yours,

Philip K. Calandrino

Re: Maritime Communications/Land Mobile, LLC, as assignee of Mobex  
Communications, Inc. vs. Central Communications Network, Inc. d/b/a CCN

Dear Ms. Lindblom:

As you are aware, I represent Maritime Communications/Land Mobile, LLC. On December 3, 2003, CCN entered into a ten-year Management Agreement with Mobex Communications, Inc. Under that agreement, CCN was obligated to pay Mobex a monthly fee for the use of certain radio frequencies identified in an exhibit to the agreement and licensed to Mobex by the FCC. Later, Mobex assigned its rights under your contract to Maritime. On October 18, 2006, CCN and Maritime extended the term of the agreement by one year and adjusted the fee schedule, such that the amounts due were reduced from August 2006 - 2007 to \$9,505.50 per month and to \$38,139.00 per month from September 2007 - 2008.

Presently, CCN is in arrears on the sums due Maritime under the Management Agreement, as amended. According to the invoices sent by Maritime to CCN, the amount currently due is as follows:

Invoice Date	Invoice No.	Amount Due	Due Date	2007 Interest	2008 Interest

I have enclosed copies of the above-referenced invoices for your reference. The total amount due as of the date of this letter is \$534,927.26, including interest charges.

Accordingly, this letter shall serve as formal notice, pursuant to paragraph 7.1.1 of the Agreement that CCN is in material and substantial breach of its contractual payment obligations to Maritime. My client, in accordance with the requirements of the contract, hereby provides CCN 30 days from the date of this letter—until September 18, 2008—to cure performance by paying the amount due. In order to draft your check for the correct amount due, calculate interest as of the anticipated date of delivery. Upon your request, my staff will gladly provide you with the correct figure for a given date. Please make your check payable to Hendry, Stoner, Calandrino & Brown, P.A. Trust Account.

Further, this letter shall serve as formal request pursuant to paragraph 9 of the Agreement for mediation of the dispute, as a condition precedent to litigation. Should you fail to comply with the payment demand or contact my office to schedule mediation by the deadline, my client may elect to file an arbitration claim or civil action against your company.

Please contact me if you wish to discuss this matter in more detail. Otherwise, I will look forward to receiving your check before the cure period expires.

Very truly yours,

Philip K. Calandrino

Re: Maritime Communications/Land Mobile, LLC, as assignee of Mobex  
Communications, Inc. vs. Central Communications Network, Inc. d/b/a CCN

Dear Mr. Webster:

As you are aware, our firm represents Maritime Communications/Land Mobile, LLC. On December 3, 2003, your client, CCN, entered into a ten-year Management Agreement with Mobex Communications, Inc. Under that agreement, CCN was obligated to pay Mobex a monthly fee for the use of certain radio frequencies identified in an exhibit to the agreement and licensed to Mobex by the FCC. Later, Mobex assigned its rights under the contract to Maritime. On October 18, 2006, CCN and Maritime extended the term of the agreement by one year and adjusted the fee schedule, such that the amounts due were reduced from August 2006 - 2007 to \$9,505.50 per month and to \$38,139.00 per month from September 2007 - 2008.

Presently, CCN is in arrears on the sums due Maritime under the Management Agreement, as amended. According to the invoices sent by Maritime to CCN, the amount currently due is as follows:

I have enclosed copies of the above-referenced invoices for your reference. The total amount due as of the date of this letter is \$840,339.28, including interest charges.

Accordingly, this letter shall serve as formal notice, pursuant to paragraph 7.1.1 of the Agreement that CCN is in material and substantial breach of its contractual payment obligations to Maritime. My client, in accordance with the requirements of the contract, hereby provides CCN 30 days from the date of this letter—until April 17, 2009—to cure performance by paying the amount due. In order for your client, CCN, to draft its check for the correct amount due, calculate interest as of the anticipated date of delivery. Upon your request, my staff will gladly provide you with the correct figure for a given date. Please make your check payable to Calandrino Law Firm, P.A. Trust Account.

Further, this letter shall serve as formal request pursuant to paragraph 9 of the Agreement for mediation of the dispute, as a condition precedent to litigation. Should CCN fail to comply with the payment demand or contact my office to schedule mediation by the deadline, my client may elect to file an arbitration claim or civil action against CCN.

Ronald S. Webster, Esq.

The mission of MCLM, LLC and its affiliates is to be the leading provider of cost-effective communications services to mobile work groups. These services include, but are not limited to, voice, dispatch, data, and AVL.

## What We Do

### Management Team

### Partners & Solutions Providers

MCLM is a proven leader in the communications industry, offering reliable wireless solutions that enable companies to reduce operating costs associated with mobile work groups, fleet management, system monitoring, and stringent safety regulations/demands.

## Who We Are

Maritime Communications/Land Mobile, LLC ("MCLM") was formed in 2005 to acquire, operate and lease exclusive licensed spectrum issued by the Federal Communications Commission ("FCC"). These licenses are designated by the FCC as Automated Maritime Telecommunications Service ("AMTS") licenses. MCLM operates its WATERCOM system for towboats and barges along the Mississippi River and its tributaries, as well as other areas.

In addition to maritime service, the AMTS licenses permit licensees such as MCLM to provide wireless voice, data, video and Global Positioning System ("GPS") services to customers on land and on water. MCLM's licenses cover more than 225 million pops, and include most of the top 100 cities in the United States .

MCLM acquired much of this spectrum in a recent acquisition of Mobex Network Services, LLC ("Mobex"). Mobex, in turn, had acquired these channels from various third party operators of maritime spectrum in 2000. MCLM acquired additional spectrum at an FCC auction which closed in August 2005.

## SPECTRUM BRIDGE ANNOUNCES ALMOST-NATIONWIDE LISTING OF VHF SPECTRUM

Oct 8, 2008 10:20 AM, By Donny Jackson

Spectrum marketplace firm Spectrum Bridge this week announced that Maritime Communications/Land Mobile (MCLM) is listing its entire VHF spectrum—covering 85 of the top 100 U.S. markets—on SpecEx, the Spectrum Bridge online marketplace.

Although Spectrum Bridge launched SpecEx a month ago with a spectral inventory the company valued at \$250 million, MCLM is the first entity to be announced as listing its airwaves on the web site. MCLM President and CEO John Reardon said he believes SpecEx could impact the spectral marketplace as eBay has impacted consumer goods.

"This seemed to be the best way for people to get information about our spectrum," Reardon said, specifically noting public-safety agencies as a potential target audience. "These are buyers you might not have ever been able to identify without the power of the Internet.

"That's why we went with Spectrum Bridge. I really see it as a game-changer in the way that spectrum is bought and sold."

MCLM is listing spectrum in the 217-219 MHz band that provides coverage to more than 250 million people in the United States, including top markets such as New York City, Los Angeles, Chicago, Miami and Dallas. Although designated by the FCC in the 1980s as automated maritime telecommunications services (AMTS) licenses, the agency has since allowed more flexible uses for the band, including land mobile radio, SCADA and telemetry, Reardon said.

A buyer of the spectrum would have to assume a few long-term contracts with public-safety entities such as the New Jersey Turnpike Authority, but the "vast majority" of MCLM's customers operate on month-to-month contracts, Reardon said. As a result, a buyer would be able to utilize the spectrum for new types of applications if it wanted, he said.

Key features of the spectrum are its excellent propagation characteristics and the fact that the buildout requirements already have been met, so there would be no regulatory obligation for a buyer to expend additional capital on the network in the near term, Reardon said.

Getting MCLM to list on SpecEx was a "big win" for Spectrum Bridge because MCLM also considered using several established spectrum brokers before opting to list the airwaves online, said Rick Rotondo, vice president of marketing for Spectrum Bridge. The fact that the spectrum is almost nationwide should make it attractive to a wide variety of potential buyers, he said.

"This kind of spectrum—and this much of it—doesn't come available that often," Rotondo said.

The SpecEx auction for the MCLM spectrum is expected to begin in early December.
